2019

Individuals Name: _____

Individuals Address: _____

Individuals City: _____ Home's Phone #: _____

Home Manager: _____ Managers Cell#: _____

Listed below are activities that are planned so far for 2019. Please look over the list of days and times. All of these activities will be 1 individual to 1 staff. Just because you sign up for an activity does not mean that you will be doing the activity. FunOne needs to serve multiple people.

The cost will be worked out between the Manager and the FunOne Administrator. The manager will need to put the activity on the home calendar and plan for the individual to attend. The FunOne Administrator and Home Manager will work with Teri to assure any medications that the individual has to taken will be given appropriately. The manager can encourage and suggest the staff person to work with the individual going on the trip, but final decision will be made by the FunOne Administrator.

The activities below are ones that are planned for 2019, but we are not limited to just these activities. If you have an individual who wants to do something without the entire home, please email me to let me what they would like to do.

Furthermore, as more activities come available in 2019, I will be giving out additional list at the Administrative Staff Meeting.

Please fill out this form completely. Please put a checkmark beside the activities that the individual would like to be considered for to attend. You can either email it back to me or put it in my mailbox at Choices.

*****Please note that if the date of the activity is bolded, the tickets have not been purchased at this time so there is a slight chance the activity will not happen.**
